

E-mail:

It is with great sadness that I, and my Swedish Ombudsman colleagues, have been informed about the death of our esteemed colleague, Dr Otakar Motejl, the Public Defender of Rights. His distinguished service to the citizens of the Czech Republic and his contributions to the European cooperation between ombudsmen will greatly missed. I wish to express my sincere condolences, especially to the members of the Office of the Public Defender of Rights.

Mats Melin
Chief Parliamentary Ombudsman, Sweden
