Dear Ombudsman,

I would like to request the following:

All documents from complaints from 1 January 2015 to the present containing mentions of undressings, body searches, forms of sexualized humiliation, sex trafficking, and all other forms of sexual violence, including but not limited to sexual harassment, abuse, or rape, in the context of border crossings, refugee and migrant housing (including, but not limited to, first reception facilities, controlled access facilities, shelters), or migration detention.

Thank you in advance.

Yours faithfully,
